Forest Hills Cardens PIFTEEN MINUTES FROM PENN. STATIO

TRANSPORTATION and accessibility are the fundamental principles that enhance the value of REAL ESTATE. Improved transportation has brought Forest Hills Gardens within fifteen minutes of the centre of Manhattan. BUILDING operations have been resumed. The increased cost of building is offset by the low price of the land. Many people are purchasing plots and having plans prepared. Our belief that prices are staple—even though higher than pre-war prices—is confirmed by the fact that the SAGE FOUNDATION HOMES OO. Is at present building 25 houses, costing over three-quarters of a million dollars. We urge upon those contemplating owning a home the early essection of a building site.

THE REAL ESTATE business is in a better position now than as any time since 1907, therefore land prices are sure BUT LAND NOW

Rent Insurance Is the Apartment Seeker's Protection

Practically every substantial apartment house tenant in New York carries insurance of one sort or another-either life, health, burglary, accident, or liability-perhaps all of them. Recent sad experience has proved that not one of these is now more essential than Rent Insurance. The only questions are: What is rent insurance? and who is selling it? The Queensboro Corporation are doing so under a new, simple and direct method.

Our Collective Ownership Plan

insures apartment tenants against all future increase of rentals and provides for substantial dividend on the small amount of cash invested.

We Have Apartments For Oct. 1st Occupancy

which we offer to sell on our Collective Ownership plan. They are already erected, are modern and will bear strict investigation. We are selling them for less than they can be reproduced to-day. They will appeal to a discriminating class of tenants, capable of paying a rental ranging from \$50 to \$60 per month.

Jackson Heights

where one of the city's most progressive and satisfying apartment house sections has been erected on a foundation the keystone of which is Community Interest developed to a point not even approached in any other section of New York. Come to Jackson Heights at your first opportunity and see the apartments for yourself. To visit Jackson Heights by most convenient route take subway to Grand Central, transfer to Queensboro Subway (Corona Line) to 25th St. Station.
